Priority Date: 26 February 2002
Attorney Docket No.: None
For: MULTI-DISPLAY APPARATUS

COMMUNICATION

RECEIVED

10 JAN 2007

Legal Staff
International Division

The decision mailed herein on 18 August 2006 required applicants to submit \$180 in additional fees and an English translation of the untranslated portions of the declaration filed 24 August 2004. The decision also informed applicants that communications filed in the USPTO and signed by only one of the two applicants are not properly signed communications. The decision noted that "[a]ll further submissions by applicants must be properly executed under 37 CFR 1.33(b) (i.e., signed by both applicants or by a registered attorney or agent)."

On 16 October 2006, correspondence was filed herein accompanied by payment of the required \$180 fee and a translation of the previously untranslated portions of the declaration. However, this correspondence was signed by only one of the two applicants, Norikazu SATO. As such, the reply is not a properly signed communication under 37 CFR 1.33(b).

Based on the above, the proposed reply filed on 16 October 2006 has not been entered. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of **ONE (1) MONTH** from the mailing date of this notice within which to file a reply to the previous decision that is properly signed under 37 CFR 1.33(b).

Failure to file a proper and timely response will result in abandonment. Extensions of time are available under 37 CFR 1.136(a).

Any further correspondence with respect to this matter should be addressed to the Mail Stop PCT, Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
